

The logo for Specialty Concepts, Inc. features the company name in a bold, black, sans-serif font. The text is contained within a white rounded rectangular box with a black border. To the right of the text is a solid orange circle. The entire logo is set against a white background.**SPECIALTY CONCEPTS, INC.****LIMITED FIVE YEAR/TEN YEAR WARRANTY
SPECIALTY CONCEPTS, INC.**

1. Specialty Concepts, Incorporated (hereafter referred to as SCinc) warrants its ASC™ line of controllers for a period of ten (10) years from the date of shipment from its factory, *applicable to units date-coded after Jan. 1, 2007* (units prior to this date code have a five (5) year warranty). SCinc warrants its MARK Series™ line of controllers for a period of five (5) years from the date of shipment from its factory. This warranty is valid against defects in materials and workmanship for the five (5)/ten (10) year warranty period, as applicable to each product type. It is not valid against defects resulting from, but not limited to:

A. Misuse and/or abuse, neglect, or accident.

B. Exceeding the unit's design limits.

C. Improper installation, including, but not limited to, improper environmental protection, and improper hook-up.

D. Acts of God, including lightning, floods, earthquakes, fire, high winds.

E. Damage in handling, including damage encountered during shipment.

2. This warranty shall be considered void if the warranted product is in anyway opened or altered. The warranty will be void if any eyelets, rivets, or other fasteners used to seal the unit are removed or altered, or if the unit's serial number is in any way removed, altered, replaced, defaced, or rendered illegible.

3. The five (5)/ten (10) year term of this warranty does not apply to equipment where another manufacturers' warranty is available. An example of such equipment may be, but is not limited to, an electronic enclosure.. The time limit for this warranty may be for less then the SCinc limited warranty. SCinc will assist the claimant in attempts to seek warranty claims for such equipment where appropriate.

4. SCinc cannot assume responsibility for any damages to any system components used in conjunction with SCinc products nor for claims for persona injury or property damage resulting from the use of SCinc products or the improper operation thereof or consequential damages arising from the products or use of the products.

5. SCinc cannot guarantee compatibility of its products with other components used in conjunction with SCinc products, including, but not limited to, solar modules, batteries, and system interconnects, and such loads as inverters, transmitters and other loads which produce "noise" or electromagnetic interference, in excess of the levels to which SCinc products are compatible.

6. Warranty repair and/or evaluation will be provided only at the Chatsworth, California facility of SCinc. Units for such repair and/or evaluation must be returned freight prepaid to SCinc with a written description of any apparent defects. SCinc will not be required at any time to visit the installation site wherein SCinc's products are subject to warranty repair and/or evaluation.

7. Only SCinc is authorized to repair any of its products, and they reserve the right to repair or replace any units returned for warranty repair. The party returning unit for repair is responsible for proper packaging and for shipping and insurance charges, as well as any other charges encountered, in shipping to and from SCinc.

8. This warranty supersedes all other warranties and may only be modified by a writing signed by
